APRIL 27 & 28, 2024

BRUCE'S MILL CONSERVATION PARK

Our annual spring planting event is now open for registration. Celebrate Earth Month with 10,000 Trees and help us plant trees at Bruce's Mill Conservation Park. Everyone is welcome and we encourage you to invite your friends and family. 10,000 Trees will be hosting two planting events on April 28th - one starting in the morning and the other starting in the afternoon. Volunteers are also required for the site set-up day on April 27th.

Volunteers required: 1,200 to 1,500

Number of trees and shrubs: 5,000

The full event details and the registration links are now available on our website at www.10000trees.com.

LEARN MORE ABOUT WHAT OTHERS ARE DOING TO HELP THE ENVIRONMENT AT "DISCOVERY ALLEY"

We are excited to bring back the "Discovery Alley" Information Fair again this year. The Discovery Alley will be set up near the registration tent and we encourage everyone to visit the booths before and after you plant some trees. Some of the partners you may see this year include:

- Parks Canada (Rouge National Urban Park)
- North American Native Plant Society
- Tree Canada
- Invasive Species Awareness Program
- LEAF
- Toronto Wildlife Centre
- Wildlands League
- Ontario Nature
- Humber Honey

Throughout the day, Chris Evans will be performing his original song '10,000 Trees'. Chris is a Canadian songwriter, author and freelance educator and also worked as program co-ordinator at the Rouge Valley Conservation Centre to design engaging interactive programs on nature. He wrote the '10,000 Trees' song in the mid-1990s and has performed it many times at our annual event. Check out his youtube channel, *Pala Project*, and his website at www.chrisevanstunes.com.

We look forward to seeing everyone at Bruce's Mill!
